

CME OUTFITTERS

ADVOCATE TRAINING

Sexual Health/PrEP Education

1 Access

Scan the QR code to access educational materials on the CME Outfitters Sexual Health Patient Education Hub.

Questions & Answers

Participate in a virtual Q&A session with the experts and staff who created the content.

When: Date and time TBD

2 Review

Watch the patient education webisodes and review the downloadable materials in the Sexual Health Patient Education Hub. Gather your questions (and feedback) about the resources.

Next Steps

Schedule an event in your community to talk about the key messages in the education materials and hand out flyers to attendees with information about how to access the Sexual Health Patient Education Hub.
